RE: File #2000-00508

Dear Mr. & Mrs. Aballo:

On January 30, 2006, the Department of Environmental Services ("DES") received a copy of the As-Built Plan Approval issued December 7, 2005 which had been recorded at the Belknap County Registry of Deeds. Upon receipt of this document all of the deficiencies described in the Letter of Deficiency have been appropriately addressed or corrected. DES will close its enforcement file regarding the Property at this time. DES reserves the right to reopen this matter should additional information be received regarding additional violations on the Property.

Please be advised that further work in wetlands, waters of the state, the upland tidal buffer zone, the bank, flat, sand dune, or other areas of jurisdiction of the Department requires a posted, approved permit prior to carrying out such work.

Thank you for your assistance to bring this matter to a resolution. Should you have any questions, please contact the Wetlands Bureau at (603) 271-2147.

Sincerely,

COPY
